Official Rules & Payout Structure

Welcome to the Couples Golf League! The goal of this league is to provide a fun, friendly, and competitive environment for couples of all skill levels. Below are the official rules regarding the weekly entry fee, scoring, and prize distributions. All are welcome and come when you can! Please text Ryan at 651-247-2269 by 6:00pm on Thursday prior to playing Friday golf if you are playing for the week so we can arrange hole placement.

1. Weekly League Fees & The "Pot"

- **Entry Fee:** Each couple will pay **\$10 cash** per league night upon arrival at the course in addition to your green fees.
- **Distribution:** For every \$10 collected from a couple, 100% of pay in will be paid out for games.

Each week, a specific skill or proxy game will be designated for men and women on the course. A marker will be placed on the corresponding holes. If you beat the current leader's distance/shot, write your name on the marker sheet. The last name on the sheet at the end of the night wins the pot.

All entry fee money is collected each night to Tammi and Ryan Minke and is paid out to the winners that very same night. Meet in the Clubhouse to determine winners and payout after your round of golf. Cash Only!

2. Nightly Payout Categories

- This is a scratch couples league so scores are based on low gross. There will be no handicaps used for this Couples Fun League.
- **Tiebreaker:** In the event of a tie for the low score, the winner will be decided by a scorecard playoff.

3. General Game Play Rules

1. Pace of Play / Maximum Score: To keep the league moving smoothly and ensure everyone enjoys their evening, a Maximum Score Rule is in effect. The maximum score a player/team can record on any hole is a Triple Bogey. Once you hit this limit, please pick up your ball and move to the next tee.

2. Ready Golf: "Ready golf" is expected. If you are ready to hit and it is safe to do so, go ahead—you do not need to strictly wait for the person furthest away (except in Alternate Shot formats).

Mulligans: No mulligans are permitted during official league play to ensure fairness for the cash payouts.

3. Rain-Outs: If a night is rained out before all couples complete at least 5 holes, play is canceled for the night. All \$10 entry fees will be refunded or rolled over to double the payouts the following week.
